

Dr. Jayashree Mitra

Partner – New York

Dr. Jayashree Mitra focuses on patent litigation, including Hatch-Waxman litigation, IPR and PGR proceedings, and trade secret matters. Dr. Mitra has experience with a diverse range of products especially in the pharmaceutical and biotechnological industry including small molecules, protein therapeutics, protein-conjugates, vaccines, injectables, biologics, and biosimilars. She works in federal courts and before the International Trade Commission.

Dr. Mitra also has experience with intellectual property transactional matters, including M&A due diligence support and technology agreements. She is experienced in emerging technologies, including in the blockchain technology, and is a Certified Information Privacy Professional/U.S. private-sector.

Prior to attending law school, Dr. Mitra engaged in research in neuropharmacology at Yale University. She also worked as a professional writer, advising clients in the pharmaceutical industry concerning the messaging and positioning of drugs in the therapeutic marketplace.

Dr. Mitra engages in extensive pro-bono work, including criminal appeals and death penalty work.

Notable Representations

- **Represented** a global pharmaceutical company in patent litigation in U.S. federal court involving enforcement of patents covering client's drug for treatment of epilepsy and pain, achieving victory at trial where the patents were held valid and infringed.
- **Represented** a global pharmaceutical company in patent litigation in U.S. federal court involving patents relating to a drug for treatment of depression.
- **Advised** a global pharmaceutical company in patent litigations across multiple foreign jurisdictions on patents in the respective countries covering a drug for treatment of epilepsy and pain.
- **Represented** a major pharmaceutical company in a State Attorney General suit involving claims under the Sherman Act, as well as state antitrust and consumer protection claims.
